structure categories

The screenshot displays the Erasmus+ Unit platform interface. On the left, a vertical sidebar contains social media icons for Facebook (Spain, Germany, Poland, France) and Instagram (Spain, Germany, Poland). The main content area features three posts: 1) 'MOVE & DISCOVER MÖNCHENGLADBACH' with a video player and text about Parkour and Freerunning; 2) 'DISCOVER "TRICKING" WITH OUR STUDENT DANI' with a video player and text about a student's tricking practice; 3) 'POLAND SURVEY SURVEY' with a text prompt to fill in surveys. On the right, a sidebar contains several widgets: the Erasmus+ logo, 'SCORM TEACHING TOOL' with a SCORM icon, 'TWIN SPACE' with a TwinSpace logo, a YouTube play button icon, 'TEAMS' with a list of countries (FRANCE, GERMANY, POLAND, SPAIN, START, Survey, Uncategorized), and 'ARCHIVES' with a list of months (December 2015, November 2015, October 2015). At the bottom, the Erasmus+ logo is accompanied by a graphic of a person running and an apple. Red dashed circles and arrows highlight the left sidebar, the main content area, and the right sidebar.

Set „Read more...“ after a short teaser text.

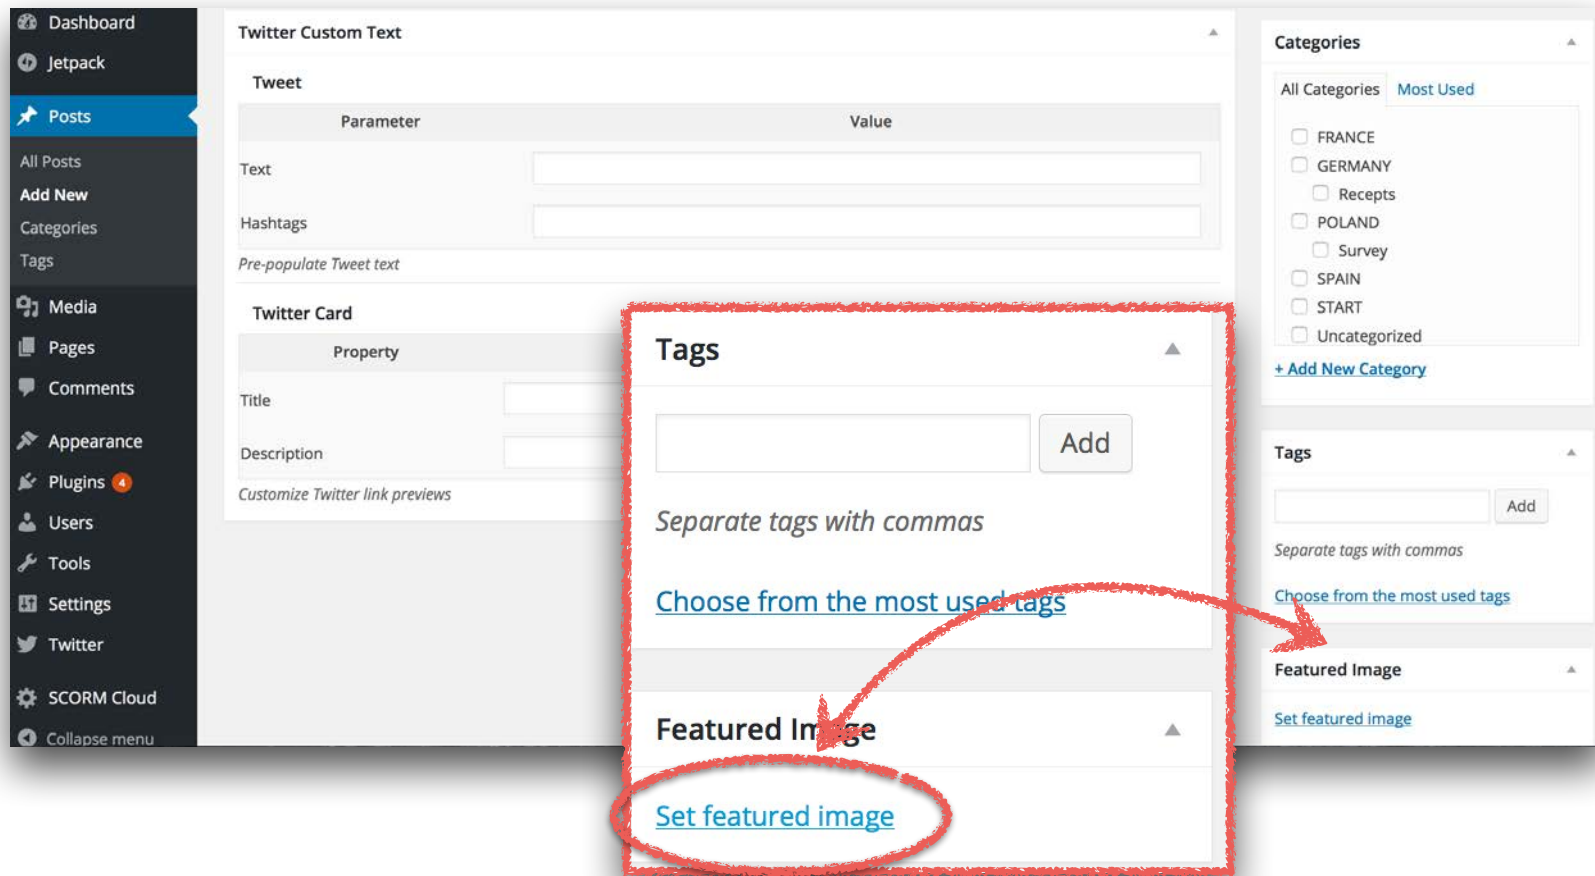

For adding photos or PDFs into the post, they must load up in the mediathek (max. 1000 px)

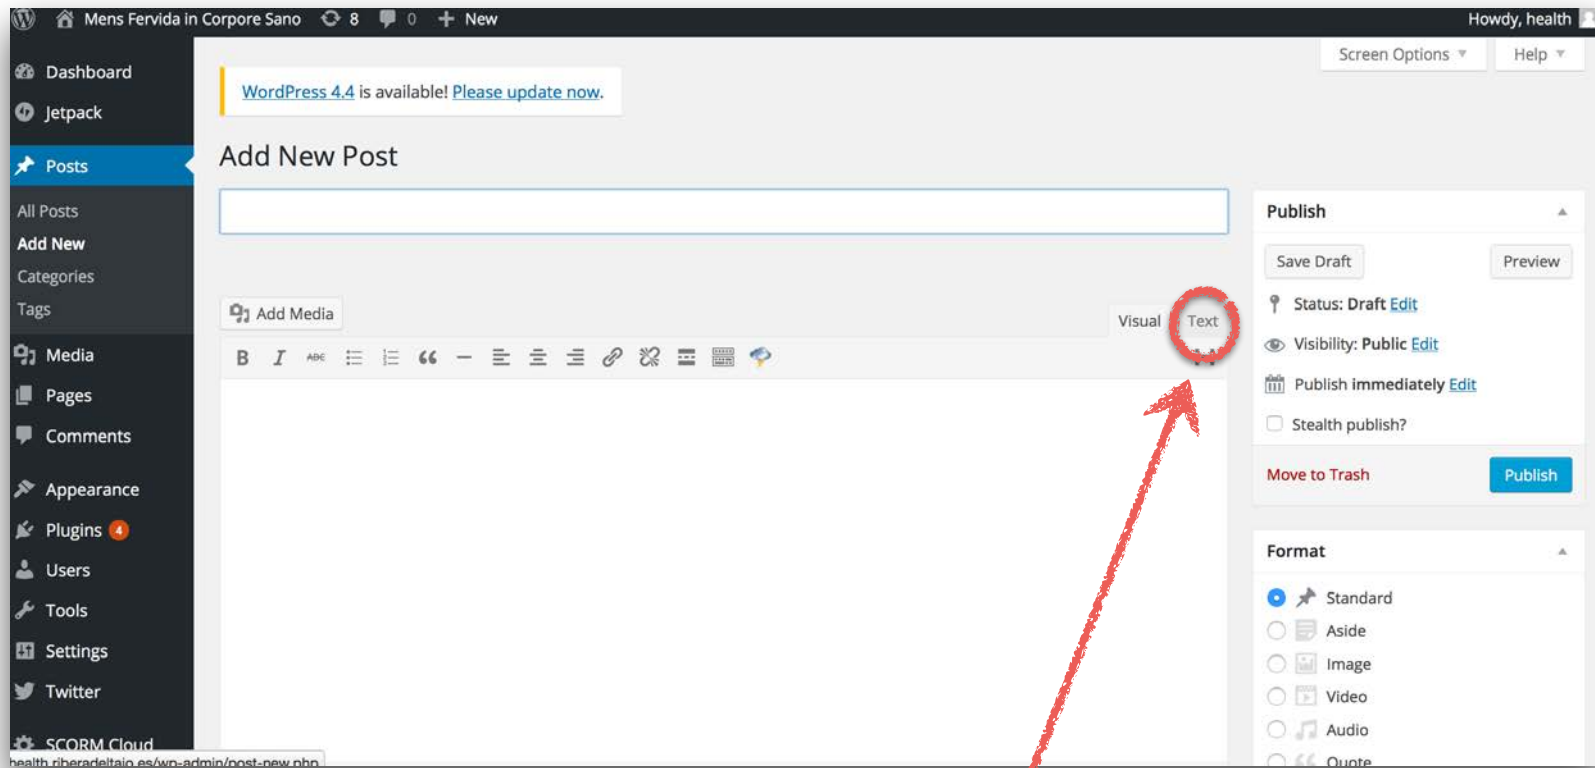

Add or drop files from your computer

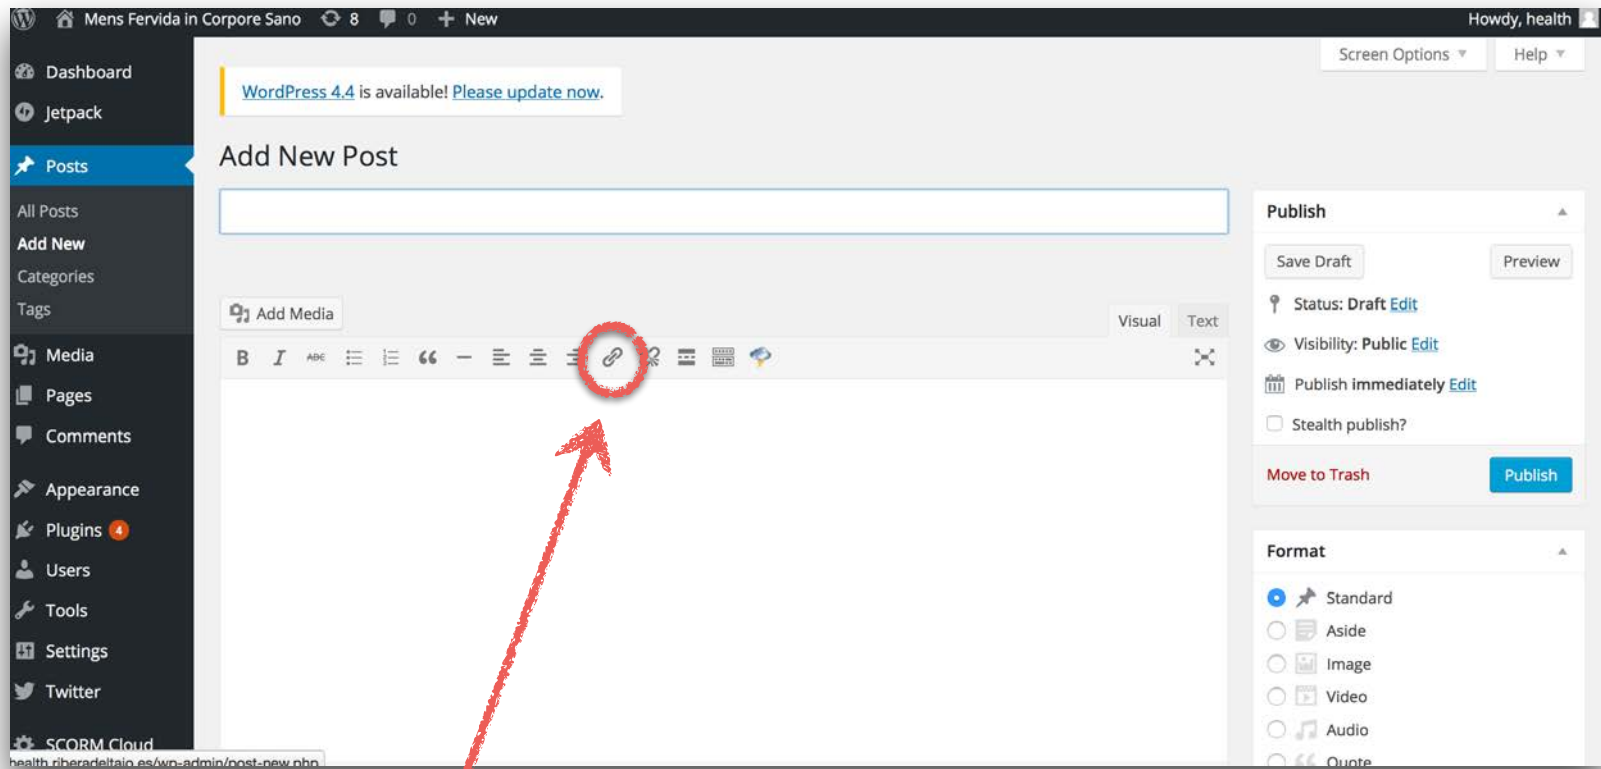

Choose your upload photo(s) and fill into the post or as featured image.
(You also can create a gallery with more photos)

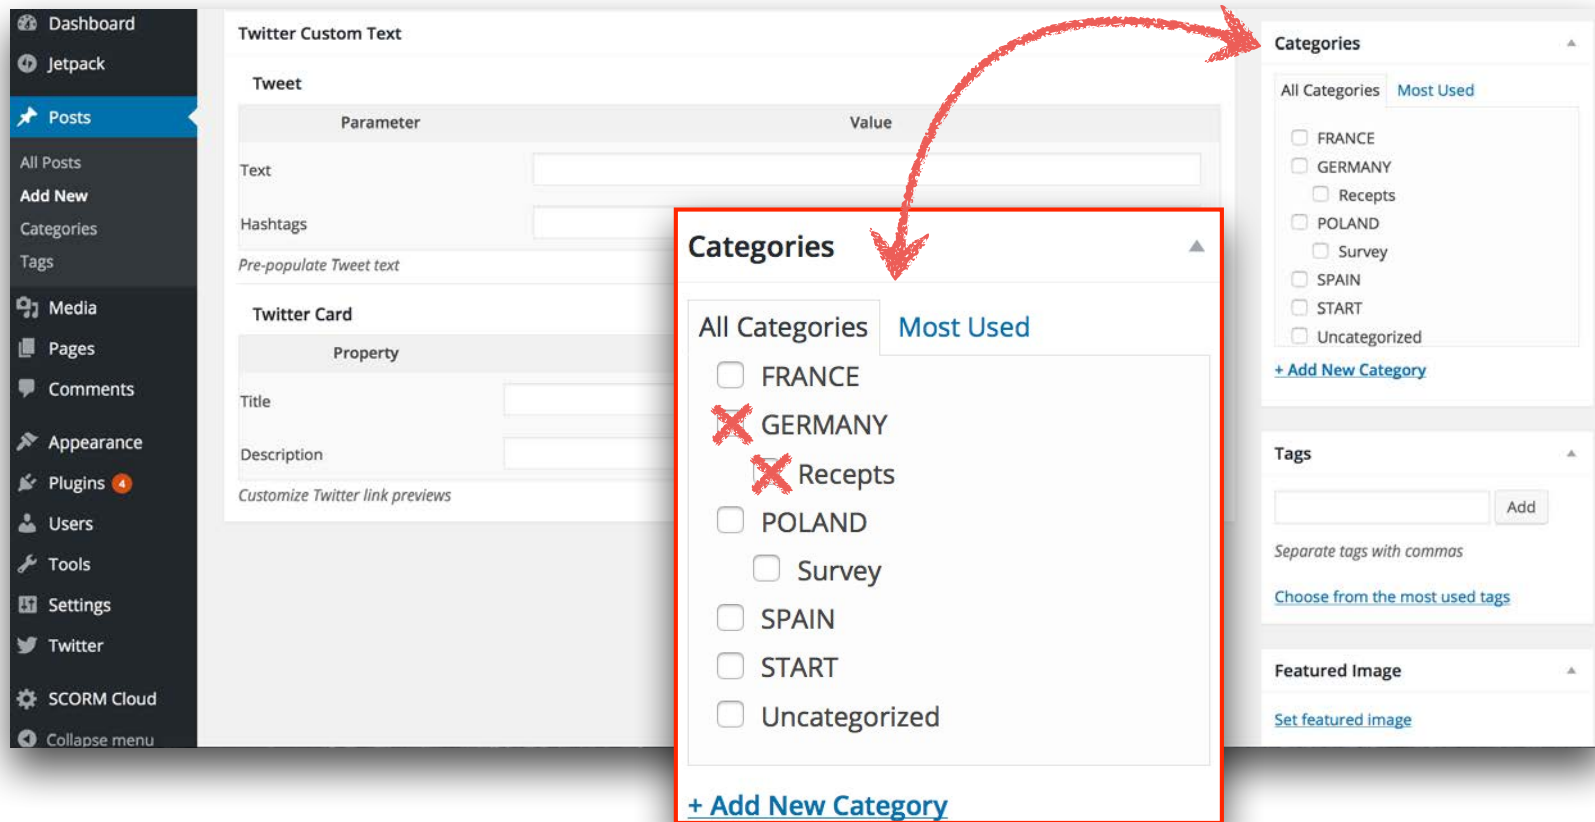

Load up an image for the title from the mediathek

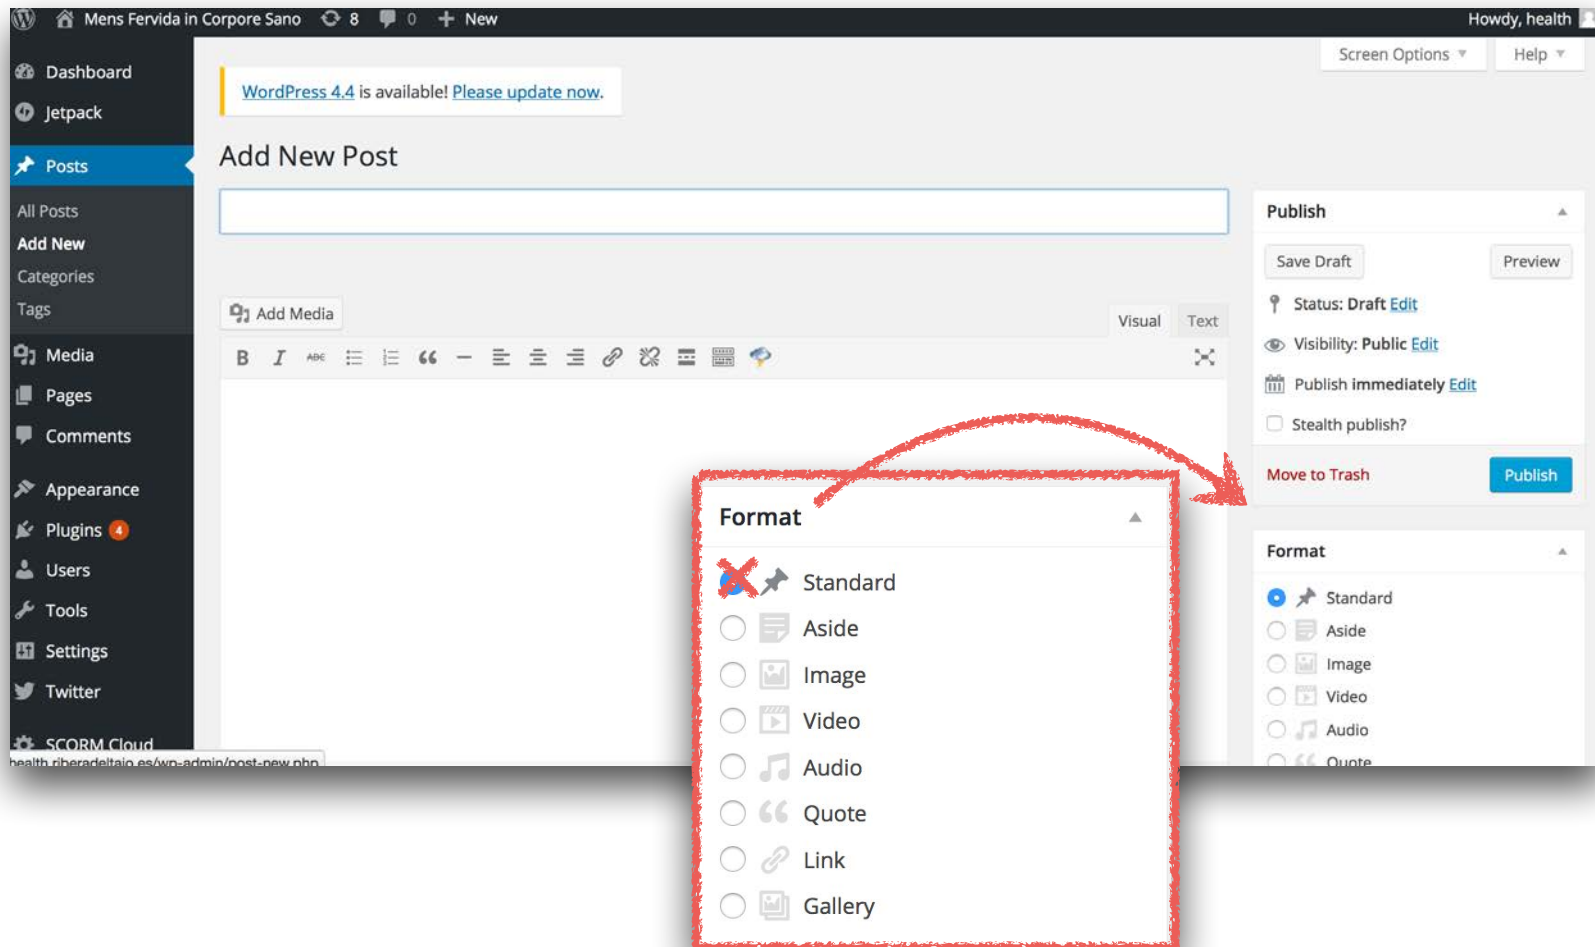

1. To embage videos change to „Text“ (html) version.
2. Copy the „Embaged code“ of youTube/vimeo into the post.
3. For continuing writing, change again to „Visual“.

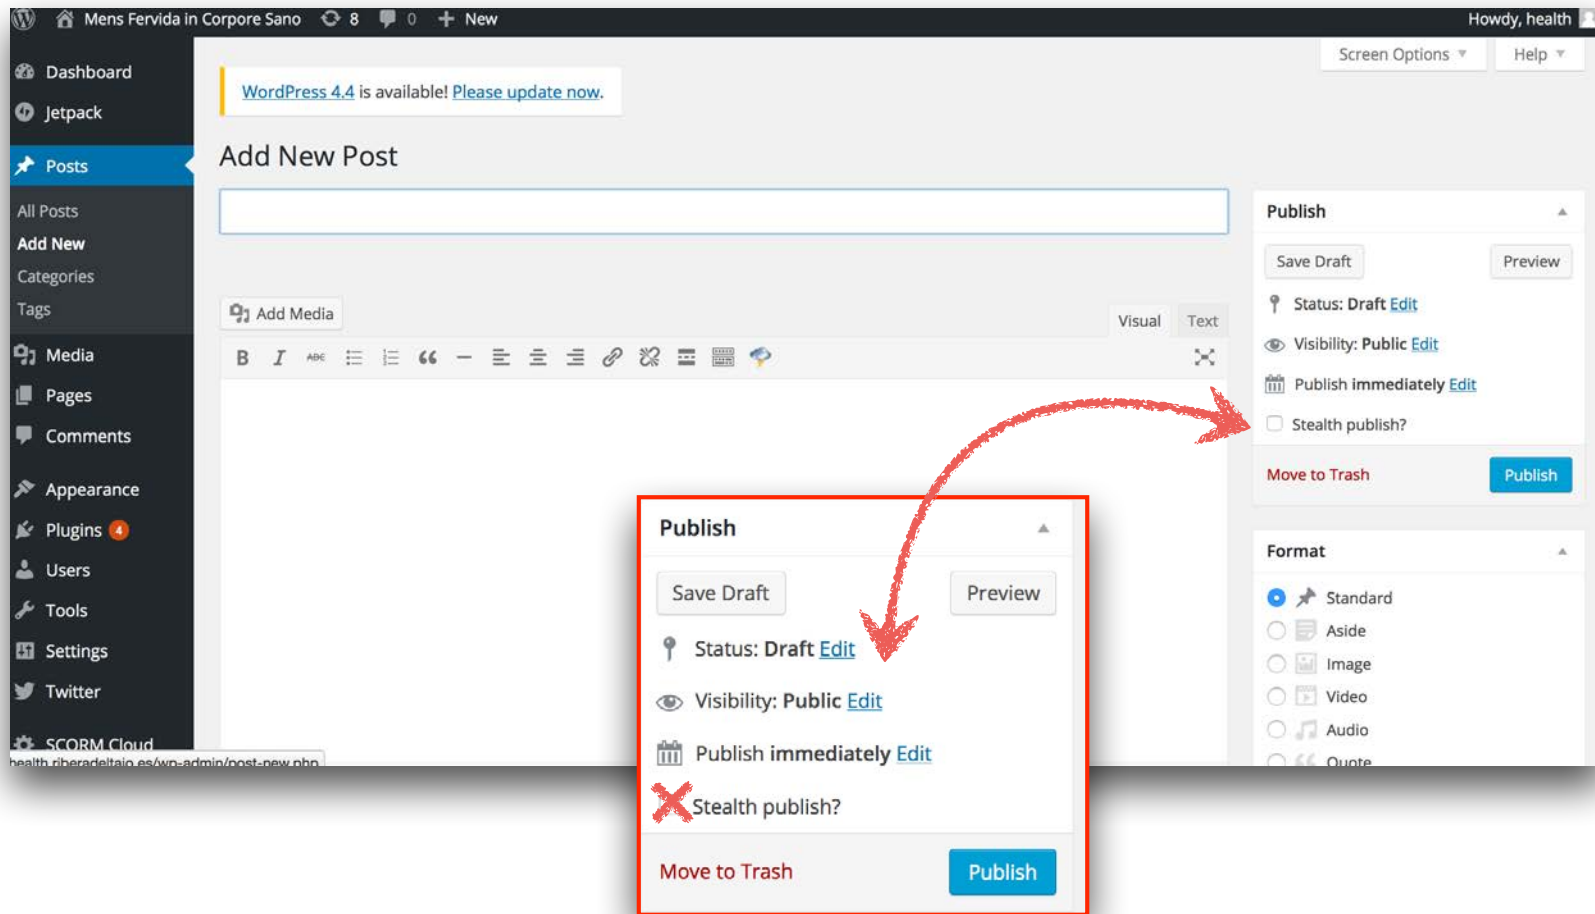

Links to other websites or articles...

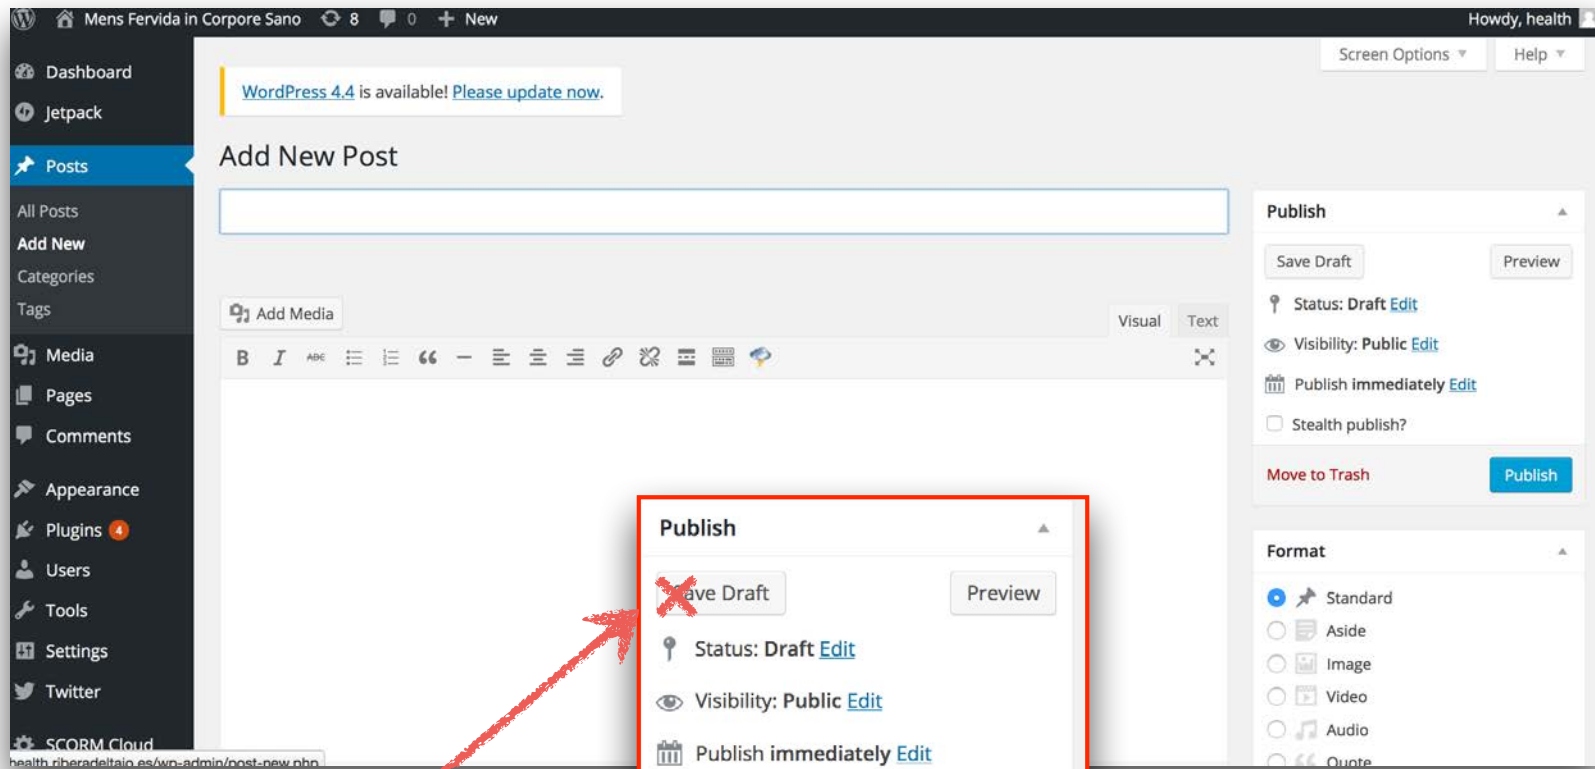

Choose category (never add new category!)

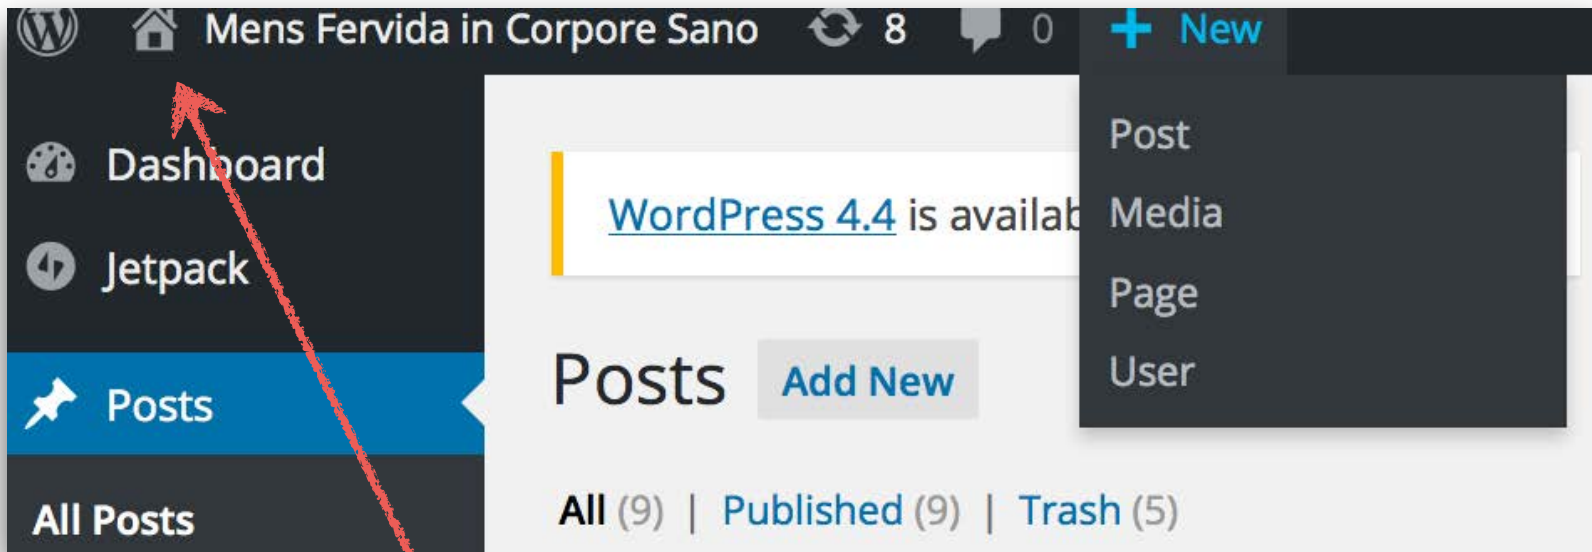

Don't change „standard“.

If you don't want the post on the startsite press „Stealth publish“(only appearing in the category)

Save the post for continuing later or publish directly!
